

Daily Tasks

Reading: Please ensure that your child reads every day, whether this be a fiction book, non-fiction book, magazine, e-book etc. Ask questions throughout to see if they have a clear understanding of what they've read. See 'Read, read, repeat' page at the end of this pack for ideas of other reading based activities.

Writing: Ask your child to write a few sentences in a journal / diary each evening. This is going to be a huge part of the world's history and they'll be able to share their first hand experiences with their children and future generations.

English - Writing

Literacy Shed is a fantastic resource where you watch a short film before doing some activities. I have selected the film Megacity about a boy and his dog. Watch the film and then select one of the activities underneath. Let me know what you think of Literacy Shed.

<https://www.literacyshed.com/megacity.html>

English - Spelling, Punctuation and Grammar

Find the Missing Stone-Age Jewellery pack and have a go at working through the problems. You will need to remember how to use commas, how to write in the present tense and spot the correct spellings. I wonder who will solve the mystery first? Good Luck!

Ongoing ideas to help your child:

- Regular practice of Spelling and Maths Shed. I update these every Tuesday and they run on a weekly basis.
- Handwriting
- Write reviews on books they have read or programmes they have watched
- Practice writing sentences using words from the Year 3/4 spelling list which can be found here...
- https://cdn.oxfordowl.co.uk/2019/08/29/13/54/08/76f1443d-9b6d-4030-be0d-25fcfef01438/SpellingWordList_Y3-4.pdf
- Watch 'BBC Newsround' daily if possible. This will enable your child to keep up with world events through age appropriate content.
- Work through the list of '25 Non-Screen Activities'
- Try and carry out 2 random acts of kindness for someone in your household or community (following the appropriate safety measures)

Maths

We are continuing with length and area and are having a go at perimeter this week. Year 3 need to find the two sheets that have some perimeter problems on to complete. Year 4, you need to follow the link below for your online lesson on area and perimeter. Good Luck!

<https://www.thenationalacademy/year-4/maths/area-and-perimeter-year-4-wk1-1>

Maths

<https://www.topmarks.co.uk/maths-games/7-11-years/mental-maths>

Click on the link that will take you to TopMarks and practise your mental maths skills. How quick can you answer the questions on the games? Could you play at least 3 of the games? Let me know how you get on.

Science

Find the Plants and Flowers garden hunt in your home learning pack or online and have a go at finding as many as you can. I would love a photo of you with some of the flowers. I think I might have to give a prize for the person who finds the most!! Good Luck Bluebell Class :0)

Topic

I found a lovely, simple art activity that is to do with jewellery. You will need a paper-plate, paint or felt-tip pens, a pencil and some scissors. Follow the instructions on the Pattern Jewellery sheet and have some fun. I would love to see your finished designs my beauties.

Other possible activities

- Visit the CBBC website <https://www.bbc.co.uk/cbbc> for games, quizzes, puzzles and to watch shows
- Send an e-mail using your Its Learning account to a member / members of the class. Use it as a chance to catch up with someone you haven't seen for a while!
- To replace 'walk and talk', take part in a free daily kids workout with Joe Wicks! - See useful links pages for details

Michael School- procedures for home learning

While your child is off school, their teachers will be setting a number of learning activities each week for their class, Choice of tasks will be encouraged to give pupil's ownership and to ensure that they can be suitably challenged and you can use the activities which suit you as a family!

We all understand that no amount of preparation or resources will replicate the typical school day and any attempt to provide educational continuity will be carried out with the aim of supporting parents in the education of their child as best we can, given the unprecedented situation facing our Island community.

Technology can be a huge enabler for supporting learning whether that is at school or at home. We intend to use this to communicate learning tasks for children to engage with and of course update parents with information and advice.

What parents can expect

Each week your child's class teacher will release a 'home learning' sheet that will contain a variety of tasks and suggested resources that your child can choose from while they are away from school. In certain circumstances, the resources provided to the child may be given by a teacher who is not the pupil's regular teacher- for example if they are unwell.

This will be sent to parents via the school's email system on Monday mornings and also added to our school website for you to refer to.. All communication will go through the headteacher. Please do not contact teachers directly at this time via email or social media. If there is an urgent concern, please contact the headteacher at karen.riley@sch.im and your email will be forwarded accordingly. Response times will vary depending on the concern and availability of the intended recipient.

Online safety

Many suggested tasks or resources will involve children going online. Children should already be familiar with key messages about staying safe online. Any sustained period of online activity should be monitored. Children also need to be equipped with the tools to ensure that their experience is safe and how to respond should the need arise. Resources to support online safety can be found at:

<https://www.thinkuknow.co.uk/professionals/resources/>

<https://www.bbc.co.uk/teach/safer-internet-day-resources/z6bbhbk>

Passwords and usernames

Passwords and usernames for sites that are to be utilised in learning packs will be reissued by teachers where necessary.

Feedback on learning

Teachers will not be expected to provide feedback on any activities provided in the learning packs. Parents are, of course, encouraged to provide praise and support for their children who are carrying out the tasks provided.

READ, READ REPEAT!

Daily Reading Activities for Home Learning

SUPPORTING CHILDREN TO LOVE READING IN ANY SPACE!

MON	TUES	WED	THURS	FRI
<p>Choose a Non-fiction book & read to a family member or pet for 20 minutes out loud! Read the rest independently. Use your best fact news reporter voice. Don't have a book? There are loads to download and print here: https://clubs-bds.scholastic.co.uk/</p>	<p>Enjoying reading from home? Tweet to your favourite authors. Get permission first! Did you know loads of authors are on twitter chatting every day to fans of their books. Here are some to get started: @VassiaHardy @MichaelRosenPet @OrjailRauf @jerrycraft</p>	<p>Family time</p> <p>READ QUIETLY TOGETHER - ANY BOOK YOU CHOOSE!</p>

Non-screen activities you can do at home

Pobble

What can you do when there's no school and you're stuck at home? Here are 25 fun ideas to choose from.

25 ideas!

1 How many different words can you make from the letters in this sentence, below? Grab a pencil and paper and write a list!

Learning from home is fun!

2 Thank a community hero. Think of someone that helps you in some way and write a short letter to thank them.

Thanks!

3 Get building! You could build a tower, model, a tower of playing cards or something else!

4 Can you create your own secret code? You could use letters, numbers, pictures or something else! Can you get someone else to try and crack it?

5 Start a nature diary. Look out of the window each day and keep note of what you see. Birds, Towers, changes in the weather, what else?

6 Hold a photo session. Use a camera or a mobile phone to take some snaps. What will you photograph? Your pets, or your portrait?

7 Build a reading den. Find somewhere cosy, snuggle up and read your favourite book!

8 Use an old sock to create a puppet. Can you put on a puppet show for someone?

9 Make a list of all the electrical items in each room of your home. Can you do one up with any ideas to use less electrical?

10 Design and make a board game and play it with your family.

11 Do something kind for someone. Can you pay them a compliment, make them something or help them with a task?

12 Can you create a story bag? Find a bag and collect items to go in it that relate to a well known story. If you can't find an item you could draw a picture to include.

13 List making! Write a list of things that make you happy, things you're grateful for or things you are good at.

14 Design and make an obstacle course at home or in the garden. How fast can you complete it?

15 Can you invent something new? Perhaps a gadget or something to help people? Draw a picture or write a description.

16 Keep moving! Make up a dance routine to your favourite song.

17 Write a play script. Can you act it out to other people?

18 Read out loud to someone. Remember to read with expression.

19 Write a song or rap about your favourite subject.

20 Get ditching! Find a photograph or picture of a person, place or object and sketch it.

21 Junk modelling! Collect and recycle materials such as yogurt pots, toilet rolls and boxes and see what you can create with them.

22 Draw a map of your local area and highlight interesting landmarks.

23 Write a postcard to your teacher. Can you tell them what you like most about their class?

24 Draw a view. Look out of your window and draw what you see.

25 Get reading! What would you most like to learn about? Can you find out more about it in books? Can you find a new hobby?
