Work Hard, Aim High, Have Fun!

## Reminder- Macmillan Coffee Afternoon

Just a reminder that we will be holding our Macmillan Coffee Afternoon on Monday from 2.00 to 4.00pm in the Community Room. Everyone is welcome, including parents, grandparents, friends and family! The children are allowed to bring money to purchase cakes during the afternoon. Every kind of cake donation would be fantastic, whether it is home baked, shop bought or even large showstoppers to be raffled. We hope to see as many of you there as possible to support this wonderful cause.

Dear parents/ carers,

We have been contacted by Michael Commissioners who would like me to bring some issues to your attention via our school newsletter. They would like to take this opportunity to warn you of the dangers of the eroding cliffs and road at Broogh Wyllin. They have received reports of various children sliding down the cliffs there. The risk assessor from Dandara was very concerned that the children could cause a landslide and hurt themselves or others. Could you please discuss this issue with your children if they do play in that area as their safety is of the utmost importance.

They also asked me to mention that some children in Broogh Wyllin are riding their bikes around the 'loop' and coming straight out onto the road next to the car park. There has been an issue of a child riding into a car a few weeks ago (luckily no-one was hurt) so please also discuss road safety with your children. Barriers are going to be installed on the path soon.

We are the only parish on the Island so far which has a Young Commissioners link and we have representatives from years 3, 4, 5 and 6. Our first meeting of the year was held last week and they have already shared their input and made plans for the coming months. Thank you to those pupils who are helping to improve the village.

Thank you for your continued support,  
K. Riley

## Fashion Show

Preparations for the M and Co Fashion show at school on Friday 20th October beginning at 6.30pm are going well. Thank you so much to those of you who have returned the slips to say that they are happy to be models. We could do with some more adults so if anyone feels that they would like to get involved then please do just pop in and let me know!

Tickets for this event are now on sale from the school office and are also available from the M and Co store itself. Please ensure you purchase tickets early to help us plan numbers, thank you.

**Fashion Show**

## Thank you...

A huge thank you to all the parents and children who attended the fell running championships at Bradda Head last weekend. I was really proud to hear how well the children had done and delighted to hear about lots of stories of resilience! The children have received certificates to celebrate this today in our Celebration assembly.

## For your information...

We are having a visit in school next week from the Lepra charity who will speak to the children on Wednesday. They will be bringing home some fundraising information packs. The children will have a fun Zumba activity in school in November to say thank you for helping to raise funds. Thank you in advance for any donations you wish to make.
