Work Hard, Aim High, Have Fun!

Dear parents/ carers,

Welcome back! I hope you all had a lovely half term break. We have another busy half term ahead of us with lots of exciting activities including netball, hockey, football and cross country tournaments, a fabulous science week and next Monday we will also be having a visit from author Peter J Murray. All the pupils in KS2 will be taking part in a workshop with him based on his latest books, also having the opportunity to buy signed copies of them following his visit. More details to follow next week...

Thank you all so much for supporting our events to raise money for Nepal. Your cakes were delicious and I know that the children all really enjoyed the disco. I am delighted to tell you that, combining the donations from the Christmas Show, Carol service at the Church and the money raised at the Valentine's stalls, we will be sending a total donation of £1002.56 to our Friends in Nepal! This is an amazing amount so a huge thank you to everyone.

I would like to say thank you to everyone who completed and returned their parent questionnaire to school. As part of our school improvement programme, we will be acting to improve any identified areas over the coming months. One area which I would welcome your help with is "Sharing information about pupil progress." I would like to hold our first parent working group session about this area. This will take place on **Wednesday 28th February at 2.30pm** in the community room for those parents who are available at that time. I will also hold an evening session for those who are unavailable on that day. Your child will be bringing home a sign up sheet today for those of you who would like to be involved in this.

Just a reminder that parent interviews will be taking place next Monday and Tuesday. If you haven't signed up for an appointment with your child's teacher yet then please do as soon as possible.

Thank you for your continued support,
K. Riley

Extra-Curricular clubs this half term

Here is a timetable for our clubs at Michael School this half term:

Welcome...

We would like to welcome Mrs Kelly Christian to the team as our new lunchtime assistant. I know you all join with us in welcoming her to her new position!

School Meals

We now have a high number of children in school who have chosen to have school dinners, which is fantastic! The menu for this is available on our website and I will email it to everyone too. Each day, the children have two choices and the salad bar available. Unfortunately, it isn't possible to offer different meals other than the two choices so please check the menu with your child to make sure that they like the meals available. Thank you.
