Reception Phonics Week 4

Our new digraphs is oi.

Try reading these words, putting in the sound buttons to help you.

oil

coin

soil

toilet

boil

joining

foil

poison

noisy

Ask an adult to read this sentence aloud to you then try to write it below:

Boil the oil in the foil.

Don't forget your capital letter, finger spaces and full stop!

Words to spell: **was, my, you, they**

Try doing 'Look, Cover, Write, Check' - look at the words for 20 seconds, cover them up, write them from memory, then check! Were you right?

Which ones do you need to practise? Can you remember these ones from last week? **he, me, we, be, she**

There is an oi booklet for you for extra practice. Don't forget to look out for this digraph in your books this week.

Reception Maths Week 4

Meet Number 17!

Can you count out 17 objects from a larger number?

Can you write the number 17 in numerals? _____

Can you find a number 17 somewhere in your house or street?
Where was it?

Can you go to page 17 in a book you are reading?

Can you draw 17 little pictures of anything you like (e.g. cars, lovehearts...)?

Can you go outside and find 17 things all the same (e.g. daisies, stones, leaves)

This is the tricky one! Can you start on 17 and count backwards to 0? Try this every day and see if it gets easier!

Last one! Can you set out your number flashcards from 0 - 17 in the right order?

Graph: Favourite Character from 'The Mixed Up Chameleon'

Characters

Can you find a Rainbow?

Go on a walk or out into your garden. Can you find something from nature that matches each of these colours? If you can, collect a piece to stick alongside the coloured spot (a leaf, a petal etc) so that you have made your very own nature rainbow art.
