Characters

# Can you find a Rainbow?

Go on a walk or out into your garden. Can you find something from nature that matches each of these colours? If you can, collect a piece to stick alongside the coloured spot (a leaf, a petal etc) so that you have made your very own nature rainbow art.

We have already learned lots of ways to make the long e sound (**ee, ea, e-e split digraph and y**). Try the Alternative ee Spellings sheet - ask a adult to read the word out loud to you, and you have to choose the correct long e digraph to write. You could also complete the **ey** booklet in your pack.

Write this sentence (ask an adult to read it to you, then check to see how well you did): **Did Santa get stuck up the chimney?**

---

---

Did you remember your question mark?

Spelling: **some, come, were, there**. Revise: **said, so, have, like**.

Handwriting letter to focus on: **k**. Remember, this is a tall letter.
