Reception Phonics Week 5

Our new digraph is ear.

Try reading these wor	rds, putting in the sound buttons to help you.
fear	hear
dear	beard
near	year
nearly	tears.
	hese sentences aloud to you then try to write them nese are questions, so what will you need instead of a
Can you shear a sheep	p?
Did you hear the owl	last night'?
Words to spell: her, a Can you remember the	II, are uses ones from last week? was, my, you, they

There is an <u>ear</u> booklet for you for extra practice. Don't forget to look out for this trigraph in your books this week.

Reception Maths Week 5

Meet Number 18!

Can	uou write	the number	er 18 in nui	merals?	
	J			_	

See what you can find in your house to use to create the number 18. You could try making it out of flowers, clothes pegs, paper clips, even building blocks!

Can you make a model using ONLY 18 Lego bricks?

Can you draw 18 little pictures of anything you like?

Can you start on 18 and count backwards to 0? Try this every day and see if it gets easier, or play Last One Standing.

Can you set out your number flashcards from 0 - 18 in the right order? Can you pick up any number your adult asks you for? Time yourself - can you do it faster each day?

Extension: If you have time, try this to practise finding one less. Get your collection of 18 objects handy. Your adult will ask you a question like, 'What is one less than 10?' Count out 10 objects from your pile then... take one away. How many do you have now? You could also use your flashcards to help you. How about using your number line? Which way would you have to jump to find one less?

Repeat with any or all of the numbers between 1 and 18. There is a sheet to fill in if you like.

One Less!

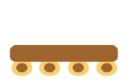

One Less!
